Light & Lamp Application:

Light for my Path

- Jesus challenges the commercialization of faith and proclaims the only true route to God.

Lamps for my Steps

- **Head** – learn the difference between religious practices and relational presence
- **Heart** – choose a place away from church property and thank God for His presence with you in that place.
- **Hands** – choose a place away from church property (wherever you celebrate Thanksgiving?) and declare/pray “Holy Spirit, you are welcome in this place.”
