### Light & Lamp Application:

#### Light for my Path

- some mysteries (you can be included in the people of God) scream to be revealed!

#### Lamps for my Steps

- **Think** - I started 2026 with the challenge to complete a list of 3 names you trust the Lord to use you to see come to faith. Think of (or create) that list of 3.
- **Feel** - Ask God to give to confidence in praying for his/her conversion and boldness to share the forgiveness of the Gospel.
- **Do** - Write on your calendar or put a reminder in your phone of a time to boldly share Christ with one of your 3.
